### **General rules**

Races will be started from a stop on a small oval dirt track. We would like to try to keep the racing clean however hitting and spinning out is allowed. No driver door hits! Race will not be stopped unless there is a roll over, fire, injury, or track is completely blocked. If you end up in the infield or off the track in any way you must not advance your position. You can return to the track in the position you were in or worse. No driving the wrong way on the track. No cutting across the track or waiting to take someone out. If you are only out there to target/wreck someone you will be disqualified.
