

SAWYER County Fair

Dear Community Partner,

The Sawyer County Fair Board of Directors is asking your help to keep this wonderful community event growing. The cost of the fair is approximately \$100,000 and we rely on the generosity of the community and businesses like yours to help us make some wonderful summer memories for kids of all ages. All donations are appreciated and we have some great opportunities for sponsorship and advertising to help you grow your business as the fair was visited by thousands of people last year.
